

How to Obtain a Business or Occupy A Building

If you are planning to open a business or occupy a building within Union County, you should:

1. Contact the Department of Building Safety at (864) 424-2341 to set up a pre-meeting.
2. The requirements of the Building Codes can be complied with to include:
 - Construction type
 - Fire protection requirements
 - Barrier free design requirements
 - Occupancy requirements by use

By following the guidelines above before buying or leasing a structure, you will be advised of code requirements that save you unknown costs.
