**TSC Project: Miracle League Field Surface 2025**

**Submit Proposal by: February 22, 2025**

**Estimated price: \$250,000.00**

**Scope:**

**Miracle League Baseball/Softball Field – ADA Wheelchair Approved**

Union County presently has an operating Mircle League baseball / softball field and playground area. The field material has exceeded its life expectancy, and is in need of resurfacing.

This request for pricing's intent is to select an astroturf product that meets the standards of the Mircle League, and to prepare and cover over the existing field with a new astroturf product.

To price this project, perspective bidders shall:

**Miracle League Field**

- **Prepare existing surface for new product. This may include**
  - **Repair any irregularities in the existing low impact surface now**
  - **Provide patching materials to the concrete sub surface if needed**
  - **Add material to bring the surface up to correct grade**
  - **Seal the existing material to accept the new material**
- **Install new ½” pile astroturf material (color provided by Union County)**

- This material shall be like or equal to (provide our sample information)
- Field will be of three colors green, sand and white
- Field will include 3 bases total, one pitching mound and two foul lines
- Field will include two Miracle League Logos and two batter's circles
- All astroturf material shall meet and exceed Mircle league minimum standards to maintain this field as a dedicated Mircle League purposes

### **Submission Requirements**

- Price a total quote with detailed description of proposed products
- Contractor must have a minimum of 5 years athletic field construction experience
- Provide proposed material data to be installed with its full specifications and manufacturing warranty information.
- Provide an estimate of work start date from the time of award, and estimate of time for installation time, from project start time to completion.
  
- Work Preferences – must provide previous and/or current customers
- Certificate of Insurance – approved contractor shall provide with their quote copies of their current Workers Compensation coverage, Liability Insurance, and Property Damage Insurance.
- All workmanship and labor will be guaranteed for 12 months from completion date.
