Proposed Building Permit Fee's Increase

Union County has not changed its Building Permit Fees since these fees were established in 2009. While Union County is being efficient in permitting and inspections, Union County is at a point where the cost of doing inspections are more than the permit fees generated. To return to break even point of expenses, the following is proposed:

The value of a residential or commercial building structure shall be based on 75% of the International Codes Congress (ICC) Building Valuation Data (BVD), which is published twice a year by ICC.

As an example, current average square foot costs to construct a single-family home across the United States by the current BVD table is \$169.09 per square foot. 75% of this national average is \$126.82. If a contractor is building a 1,500 square foot house in Union County, the value of the house would be $1,500 \times \$126.82 = \$190,230.00$.

- The current construction permit fee for this 1,500 square foot house would be \$630.46
- The proposed fee schedule for this same size house is \$730.46
- Minimum Inspection fee is proposed to move from \$25.00 to \$ 125.00
- Propose moving the Mobile, modular, and manufactured homes from \$100.00 flat rate, to using the sale price of the mobile, modular, and, or manufactured home as the value of the structure, and use the permit schedule to determine the permit fee.

The base fee information below was created using tables from ICC. These are the same tables used across the United States. However, Union County's old fees and the proposed new fees are well below the average permit fees charged by others. If Council accepts the proposed changes offered, Union County will continue to be well below permit fee costs than surrounding counties.

Building Valuation Data – FEBRUARY 2025

The International Code Council is pleased to provide the following Building Valuation Data (BVD) for its members. The BVD will be updated at six-month intervals, with the next update in August 2025. ICC strongly recommends that all jurisdictions and other interested parties actively evaluate and assess the impact of this BVD table before utilizing it in their current code enforcement related activities.

The BVD table provides the "average" construction costs per square foot, which can be used in determining permit fees for a jurisdiction. Permit fee schedules are addressed in Section 109.2 of the 2024 *International Building Code* (IBC) whereas Section 109.3 addresses building permit valuations. The permit fees can be established by using the BVD table and a Permit Fee Multiplier, which is based on the total construction value within the jurisdiction for the past year. The Square Foot Construction Cost table presents factors that reflect relative value of one construction classification/occupancy group to another so that more expensive construction is assessed greater permit fees than less expensive construction.

ICC has developed this data to aid jurisdictions in determining permit fees. It is important to note that while this BVD table does determine an estimated value of a building (i.e., Gross Area x Square Foot Construction Cost), this data is only intended to assist jurisdictions in determining their permit fees. This data table is not intended to be used as an estimating guide because the data only reflects average costs and is not representative of specific construction.

This degree of precision is sufficient for the intended purpose, which is to help establish permit fees so as to fund code compliance activities. This BVD table provides jurisdictions with a simplified way to determine the estimated value of a building that does not rely on the permit applicant to determine the cost of construction. Therefore, the bidding process for a particular job and other associated factors do not affect the value of a building for determining the permit fee. Whether a specific project is bid at a cost above or below the computed value of construction does not affect the permit fee because the cost of related code enforcement activities is not directly affected by the bid process and results.

Building Valuation

The following building valuation data represents average valuations for most buildings. In conjunction with IBC Section 109.3, this data is offered as an aid for the building official to determine if the permit valuation is underestimated. Again it should be noted that, when using this data, these are "average" costs based on typical construction methods for each occupancy group and type of construction. The average costs

include foundation work, structural and nonstructural building components, electrical, plumbing, mechanical and interior finish material. The data is a national average and does not take into account any regional cost differences. As such, the use of Regional Cost Modifiers is subject to the authority having jurisdiction.

Permit Fee Multiplier

Determine the Permit Fee Multiplier:

1. Based on historical records, determine the total annual construction value which has occurred within the jurisdiction for the past year.
2. Determine the percentage (%) of the building department budget expected to be provided by building permit revenue.
- 3.

$$\text{Permit Fee Multiplier} = \frac{\text{Bldg. Dept. Budget} \times (\%)}{\text{Total Annual Construction Value}}$$

Example

The building department operates on a \$300,000 budget, and it expects to cover 75 percent of that from building permit fees. The total annual construction value which occurred within the jurisdiction in the previous year is \$30,000,000.

$$\text{Permit Fee Multiplier} = \frac{\$300,000 \times 75\%}{\$30,000,000} = 0.0075$$

Permit Fee

The permit fee is determined using the building gross area, the Square Foot Construction Cost and the Permit Fee Multiplier.

$$\text{Permit Fee} = \text{Gross Area} \times \text{Square Foot Construction Cost} \times \text{Permit Fee Multiplier}$$

Example

Type of Construction: IIB

Area: 1st story = 8,000 sq. ft.

2nd story = 8,000 sq. ft.

Height: 2 stories

Permit Fee Multiplier = 0.0075

Use Group: B

1. Gross area:
Business = 2 stories x 8,000 sq. ft. = 16,000 sq. ft.
2. Square Foot Construction Cost:
B/IIB = \$265.76/sq. ft.
3. Permit Fee:
Business = 16,000 sq. ft. x \$265.76/sq. ft x 0.0075
= \$31,891.20

Important Points

- The BVD is not intended to apply to alterations or repairs to existing buildings. Because the scope of alterations or repairs to an existing building varies so greatly, the Square Foot Construction Costs table does not reflect accurate values for that purpose. However, the Square Foot Construction Costs table can be used to determine the cost of an addition that is basically a stand-alone building which happens to be attached to an existing building. In the case of such additions, the only alterations to the existing building would involve the attachment of the addition to the existing building and the openings between the addition and the existing building.
- For purposes of establishing the Permit Fee Multiplier, the estimated total annual construction value for a given time period (1 year) is the sum of each building's value (Gross Area x Square Foot Construction Cost) for that time period (e.g., 1 year).
- The Square Foot Construction Cost does not include the price of the land on which the building is built. The Square Foot Construction Cost takes into account everything from foundation work to the roof structure and coverings but does not include the price of the land. The cost of the land does not affect the cost of related code enforcement activities and is not included in the Square Foot Construction Cost.

(c) The Company intends to operate the Project as a "project" within the meaning of the FILOT Act as in effect on the date hereof.

(d) The availability of the FILOT with regard to the Economic Development Property authorized by the FILOT Act, along with other incentives provided by the County, has induced the Company to undertake the Project in the County.

ARTICLE III FILOT PAYMENTS

Section 3.1 *Negotiated Payments.*

(a) Pursuant to Section 12-44-50 of the FILOT Act, the Company is required to make or cause to be made FILOT Payments on all Economic Development Property comprising the Project and placed in service with respect to each Phase of the Project placed in service on or before each December 31 within the Investment Period.

(b) The amount of such annual FILOT Payments shall be determined by the following procedure:

Step 1: Determine the fair market value of the Phase of the Project placed in service in any given year for such year and for the following 30 years, unless extended by the Parties in accordance with the FILOT Act, using original income tax basis for State income tax purposes for any real property (provided, if real property is constructed for the fee or is purchased in an arm's length transaction, fair market value is deemed to equal the original income tax basis, otherwise, the Department will determine fair market value by appraisal) and original income tax basis for State income tax purposes less depreciation for each year allowable to the Company and, as applicable, the Sponsor Affiliate(s) for any personal property as determined in accordance with Title 12 of the Code of Laws of South Carolina, 1976, as amended and in effect on December 31 of the year in which each Phase becomes subject to the Fee Agreement, except that no extraordinary obsolescence shall be allowable but taking into account all applicable property tax exemptions which would be allowed to Company and, as applicable, the Sponsor Affiliate(s) under State law, if the property were taxable, except those exemptions specifically disallowed under Section 12-44-50(A)(2) of the FILOT Act, as amended and in effect on December 31 of the year in which each Phase becomes subject to the Fee Agreement.

Step 2: Apply an assessment ratio of 6.0% to the fair market value as determined for each year in Step 1 to establish the taxable value of each Phase of the Project in the year it is placed in service and in each of the 29 years thereafter or such longer period of years that the annual fee payment is permitted to be made by the Company under the FILOT Act, as amended.

Step 3: Multiply the taxable value determined in the preceding step by a fixed millage rate equal to [373.3] mills, which is believed to be that rate in effect as of June 30, 2024, for all taxing entities for the Project location, to determine the amount of the FILOT Payments which would be due in each year of the Fee Term on the payment dates prescribed by the County for such payments for a total of 30 years for each item of Economic Development Property, or such longer period of years that the annual FILOT Payment is permitted to be made by the Company if so approved by the County.

Step 4: With respect to each annual FILOT Payment paid to the County, the County shall subtract from the FILOT Payment to be invoiced to the Company an amount equal to the value of the annual Special Source Revenue Credits as further defined under Section 3.2 of this Fee Agreement (“Net FILOT Payment”).

(c) The County agrees to ensure that the Project is incorporated into and remains in the Park through the end of the Fee Term. If, for any reason, the agreement that established the Park is modified, or otherwise terminated, then the County shall ensure that the Project shall be immediately placed into another multi-county park arrangement established pursuant to the MCIP Act, to which the County is a party and that would enable the Company to receive the benefits afforded by having the Project incorporated into a Park.

(d) In the event that the FILOT Act, the above-described FILOT Payments or both are declared invalid or unenforceable, in whole or in part, for any reason, the parties express their intentions that such payments and this Fee Agreement be reformed so as to most closely effectuate the legal, valid, and enforceable intent thereof and so as to afford the Company with the benefits to be derived hereunder. If the Project is deemed to be subject to *ad valorem* taxation, the payment in lieu of *ad valorem* taxes to be paid to the County by the Company shall become equal to the amount which would result from taxes levied on the Project by the County, municipality or municipalities, school district or school districts, and other political units as if the Project was and had not been Economic Development Property under the FILOT Act. In such event, any amount determined to be due and owing to the County from the Company with respect to a year or years for which FILOT Payments have been previously remitted by the Company to the County hereunder, shall be reduced by the total amount of FILOT Payments made by the Company with respect to the Project pursuant to the terms hereof, and further reduced by any abatements provided by law.

Section 3.2 *Special Source Revenue Credit.*

As an inducement for the Investment in accordance with Section 12-44-70 of the FILOT Act, the County grants Special Source Revenue Credits (“SSRC(s)”) to the Company and any Sponsor Affiliates which shall be applied to each annual FILOT Payment(s) made to the County as follows:

- 1) For the first five (5) property tax years (“Credit Period #1”), the annual SSRC shall be in an amount such that if the FILOT Payment is greater than \$500,000 in years 1-5 of the term of the Fee Agreement that the FILOT Payment will be reduced to equal \$500,000.
- 2) For the five (5) property tax years following Credit Period #1 (“Credit Period #2”), the annual SSRC shall be equal to forty-five percent (45%) of the annual FILOT Payment(s).
- 3) For all remaining property tax years following Credit Period #2, the annual SSRC shall be equal to twenty percent (20%) of the FILOT Payment(s).

The Company shall inform the County by [date] of a given tax year when it desires for Credit Period #1 to commence.

The County shall automatically reflect the applicable SSRC against the FILOT Payment(s) on those FILOT invoice(s) provided by the County to the Company and any Sponsor Affiliate, as applicable, such that the FILOT Payment(s) due each year is equal to the FILOT Payment. The Company and any Sponsor Affiliate shall be permitted to utilize the SSRC to offset any qualifying expenditures as provided under the Code, including under the Act and the Infrastructure Credit Act.

In the event any FILOT Payment is declared invalid or unenforceable this Fee Agreement shall automatically reform to reflect the terms that would otherwise result in an annual property tax payment arrangement equivalent to that set forth in this Fee Agreement.

Section 3.3 *FILOT Payments on Replacement Property.* If the Company and any Sponsor Affiliate elects to replace any Removed Components and to substitute such Removed Components with Replacement Property as a part of the Project, then, pursuant and subject to Section 12-44-60 of the FILOT Act, the Company shall make FILOT Payments with regard to such Replacement Property as follows:

(a) to the extent that the income tax basis of the Replacement Property ("Replacement Value") is less than or equal to the original income tax basis of the Removed Components ("Original Value") the amount of the FILOT Payments to be made by the Company with respect to such Replacement Property shall be calculated in accordance with Section 3.1 hereof; provided, however, in making such calculations, the original cost to be used in Step 1 of Section 3.1 shall be equal to the lesser of (x) the Replacement Value or (y) the Original Value, and the number of annual payments to be made with respect to the Replacement Property shall be equal to 30 (or, if greater, the maximum number of years for which the annual FILOT Payments are available to the Company for each portion of the Project under the FILOT Act, as amended) minus the number of annual FILOT Payments which have been made with respect to the oldest Removed Components disposed of in the same property tax year as the Replacement Property is placed in service; and

(b) to the extent that the Replacement Value exceeds the Original Value of the Removed Components ("Excess Value"), the FILOT Payments to be made by the Company with respect to the Excess Value shall be equal to the payment that would be due if the property were not Economic Development Property provided that the Replacement Property is placed in service after the end of the Investment Period.

Section 3.4 *Reductions in Payments of Taxes Upon Removal, Condemnation or Casualty.* In the event of a Diminution in Value of any Phase of the Project after the end of the Investment Period and during the remainder of the FILOT Term, the FILOT Payment with regard to that Phase of the Project shall be reduced in the same proportion as the amount of such Diminution in Value bears to the original fair market value of that Phase of the Project as determined pursuant to Step 1 of Section 3.1 hereof.

Section 3.5 *Place and Allocation of FILOT Payments.* The Company and any Sponsor Affiliate shall make or cause to be made the above-described FILOT Payments directly to the County in accordance with applicable law as to payment, collection and enforcement of FILOT Payments. FILOT Payments are to be allocated in accordance with the FILOT Act.

Section 3.6 *Removal of Equipment.* Subject always to Section 3.3, the Company and any Sponsor Affiliate shall be entitled to remove the following types of components or Phases of the Project

from the Project with the result that said components or Phases ("Removed Components") shall no longer be considered a part of the Project and shall no longer be subject to the terms of this Fee Agreement: (a) components or Phases which become subject to statutory payments in lieu of *ad valorem* taxes; (b) components or Phases of the Project or portions thereof that the Company and any Sponsor Affiliate, in its sole discretion, determines to be inadequate, obsolete, uneconomic, worn-out, damaged, unsuitable, undesirable or unnecessary; or (c) components or Phases of the Project or portions thereof that the Company, in its sole discretion, elects to remove pursuant to Section 3.7(c) or Section 3.8(b)(iii) hereof.

Section 3.7 *Damage or Destruction of Project.*

(a) *Election to Terminate.* In the event the Project is damaged by fire, explosion, or any other casualty, the Company shall be entitled to terminate this Fee Agreement in accordance with Section 3.21 herein.

(b) *Election to Rebuild.* In the event the Project is damaged by fire, explosion, or any other casualty, and if the Sponsor does not elect to terminate this Fee Agreement, the Company may, in its sole discretion, commence to restore the Project with such reductions or enlargements in the scope of the Project, changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Company. All such restorations and replacements shall be considered substitutions of the destroyed portions of the Project and shall be considered part of the Project for all purposes hereof, including, but not limited to, any amounts due by the Company to the County under Section 3.1 hereof, to the extent allowed by the FILOT Act.

(c) *Election to Remove.* In the event the Company elects not to terminate this Fee Agreement pursuant to subsection (a) and elects not to rebuild pursuant to subsection (b), the damaged portions of the Project shall be treated as Removed Components.

Section 3.8 *Condemnation.*

(a) *Complete Taking.* If, at any time during the Fee Term, title to or temporary use of the entire Project should become vested in a public or quasi-public authority by virtue of the exercise of a taking by condemnation, inverse condemnation or the right of eminent domain, or by voluntary transfer under threat of such taking, or in the event that title to a portion of the Project shall be taken rendering continued occupancy of the Project commercially infeasible in the judgment of the Sponsor, the Company shall have the option to terminate this Fee Agreement in accordance with Section 3.21 herein.

(b) *Partial Taking.* In the event of a partial taking of the Project or transfer in lieu thereof, the Company may elect: (i) to terminate this Fee Agreement; (ii) to repair and restore the Project, with such reductions or enlargements in the scope of the Project, changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Sponsor; or (iii) to treat the portions of the Project so taken as Removed Components.

Section 3.9 *Maintenance of Existence.* The Company and any Sponsor Affiliate agree (i) that it shall not take any action that will materially impair the maintenance of its corporate existence during the Fee Term; and (ii) that it will maintain its good standing under all applicable provisions of State law. Notwithstanding the foregoing, any changes in the Company's and any Sponsor Affiliate's corporate existence that result from internal restructuring or reorganization of the Company, any Sponsor Affiliate, or its parent are specifically authorized hereunder. Likewise, benefits granted to the Company and any Sponsor Affiliate under this Fee Agreement shall, in the event of any such restructuring or reorganization, be transferred to the successor entity under the provisions of Section 3.11 hereof. Such transfers to a

successor entity substantially similar to the Company and any Sponsor Affiliate in nature and function are specifically approved and authorized by the County without any further action by the County Council.

Section 3.10 Confidentiality / Right to Inspect the Project. The County acknowledges and understands that the Company and any Sponsor Affiliate utilize confidential and proprietary “state-of-the-art” information and data in their operations, and that a disclosure of any information, including, but not limited to, disclosures of financial or other information concerning the Company’s operations could result in substantial harm to them and could thereby have a significant detrimental impact on their employees and also upon the County. Therefore, the County agrees that, except as required by law and pursuant to the County’s police powers, neither the County nor any employee, agent or contractor of the County: (i) will request or be entitled to receive any such confidential or proprietary information; (ii) will request or be entitled to inspect the Project or any property associated therewith; or (iii) will knowingly and intentionally disclose or otherwise divulge any such confidential or proprietary information to any other person, firm, governmental body or agency, or any other entity unless specifically required to do so by State law. Prior to disclosing any confidential or proprietary information or allowing inspections of the Project or any property associated therewith, the Company and any Sponsor Affiliate may require the execution of reasonable, individual confidentiality and non-disclosure agreements by any officers, employees or agents of the County or any supporting or cooperating governmental agencies who would gather, receive or review such information or conduct or review the results of any inspections.

Section 3.11 Assignment and Subletting. This Fee Agreement may be assigned in whole or in part and the Project may be subleased as a whole or in part so long as such assignment or sublease is made in compliance with Section 12-44-120 of the FILOT Act. To the extent any further consent is required by the FILOT Act and requested, the County may grant such consent by adoption of a resolution, not to be unreasonably withheld. Any assignment of this Fee Agreement to an entity owned by, which owns, or that shares a common owner with the Sponsor is specifically approved without further action of the County.

Section 3.12 Addition of Sponsor Affiliates. Subject to any applicable state law, the County agrees to approve any future Sponsor Affiliate that would qualify for the benefits offered under this Fee Agreement. Pursuant to Section 12-44-130 of the FILOT Act, the Company may request the addition of a Sponsor Affiliate and, upon approval by resolution of the County Council shall become eligible for the benefits under this Fee Agreement. Any entity owned by, which owns, or that shares a common owner with the Sponsor is specifically approved as a Sponsor Affiliate without further action of the County so long as the Sponsor Affiliate returns an executed copy of the Joinder Agreement attached hereto as **Exhibit B**.

Section 3.13 Events of Default. The following are “Events of Default” under this Fee Agreement by the Company or any Sponsor Affiliate (each a “Defaulting Party”), and the term “Events of Default” means, whenever used with reference to this Fee Agreement, any one or more of the following occurrences:

(a) Failure by the Defaulting Party to make, upon levy, the FILOT Payments described in Section 3.1 hereof; provided, however, that Defaulting Party shall be entitled to all redemption rights for non-payment of taxes granted by applicable statutes; or

(b) Failure by the Defaulting Party to perform any of the other material terms, conditions, obligations or covenants of the Defaulting Party hereunder, which failure shall continue for a period of ninety (90) days after written notice from the County to the Defaulting Party (with a copy of such written notice to the other parties to this Fee Agreement as of the time of such Event of Default), specifying such failure and requesting that it be remedied, unless the County shall agree in writing to an extension of such time prior to its expiration.

Section 3.14 Remedies on Default. Whenever any Event of Default shall have occurred and shall be continuing, the County, after having given written notice to the Defaulting Party (with a copy of such written notice to the other parties to this Fee Agreement as of the time of such Event of Default) of such default and after the expiration of a ninety (90) day cure period shall have the option to take any one or more of the following remedial actions:

- (a) Terminate the Fee Agreement with respect to the Defaulting Party; or
- (b) Take whatever action at law or in equity that may appear necessary or desirable to collect the other amounts due and thereafter to become due or to enforce performance and observance of any obligation, agreement or covenant of the Defaulting Party under this Fee Agreement.

Section 3.15 Remedies Not Exclusive. No remedy conferred upon or reserved to the County under this Fee Agreement is intended to be exclusive of any other available remedy or remedies, but each and every remedy shall be cumulative and shall be in addition to every other lawful remedy now or hereafter existing. No delay or omission to exercise any right or power accruing upon any continuing default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the County to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be herein expressly required and such notice required at law or equity which the Company or any Sponsor Affiliate is not competent to waive.

Section 3.16 Leased Equipment. To the extent that applicable law allows or is revised or construed to allow the benefits of the FILOT Act, in the form of FILOT Payments as described in Section 3.1 hereof, to be applicable to personal property to be installed in the buildings and leased to but not purchased by the Company and/or any Sponsor Affiliate from at least one third party, under any form of lease, then that personal property, at the Company's or the Sponsor Affiliate's election, will become subject to FILOT Payments to the same extent as the Equipment under this Fee Agreement, upon proper application of the law and applicable procedures by the Company or Sponsor Affiliate.

Section 3.17 Waiver of Recapitulation Requirements. As permitted under Section 12-44-55 of the FILOT Act, the Company and County hereby waive application of any of the recapitulation requirements as set forth in Section 12-44-55, to the extent that, and so long as, the Company and any Sponsor Affiliate provides the County with copies of all filings which the Company is required to make pursuant to the FILOT Act.

Section 3.18 Fiscal Year; Property Tax Year. If the Company's or Sponsor Affiliate's fiscal year changes so as to cause a change in the Company's or any Sponsor Affiliate's property tax year, then the timing of the requirements of this Fee Agreement are automatically revised accordingly.

Section 3.19 Reports; Filings.

(a) Each year during the term of this Fee Agreement, the Sponsor, and any Sponsor Affiliates, as applicable shall deliver to the Union County Auditor a copy of their most recent annual property tax returns filed with the Department with respect to the applicable portions of the Project.

(b) The Sponsor shall cause a copy of this Fee Agreement, as well as a copy of the completed forms PT-443 of the Department, to be filed with the Union County Treasurer, Union County Auditor, the Union County Assessor, and the Department within thirty (30) days after the date of execution and delivery hereof. Both the Fee Agreement and PT-443 shall also be filed with the [●] County Treasurer,

[●] County Auditor, and [●] County Assessor within thirty (30) days after the date of execution and delivery hereof.

Section 3.20 *Payment of Administrative Expenses.* The Company will reimburse, or cause reimbursement to, the County from time to time for reasonable and necessary amounts that are customary and standard, including reasonable attorney's fees and costs, actually incurred, or that will be actually incurred, by the County with respect to the County's fulfillment of its obligations under the Fee Agreement and other related documents, including documents related to the sale and purchase of real property related to the Project, ("Transaction Documents") in the implementation of its terms and provisions ("Administrative Expenses"). The Company will make such reimbursement of Administrative Expenses upon written request therefor, but in no event later than sixty (60) days after receiving written notice from the County specifying the nature of such expense and requesting the payment of the same. The County acknowledges that it imposes no charges in the nature of impact fees or recurring fees in connection with the incentives authorized by the Transaction Documents, and, aside from reasonable attorneys' fees set forth below, or as may be necessitated in the future by request of the Sponsor pertaining to matters outside of the immediate scope of this Agreement, the County anticipates (but cannot guarantee) that no out of pocket expenses in connection with the Transaction Documents and the transactions authorized hereby should arise in the future. The parties understand that counsel to the County may invoice the Company for those expenses related to the review of the Transaction Documents and all resolutions, ordinances and other documentation related thereto in an amount not to exceed \$_____.

Section 3.21 *Termination.* Prior to the stated expiration of the Term of this Fee Agreement, the Sponsor may, at any time by written notice to the County, provide for the termination of this Fee Agreement, effectively immediately upon giving such notice or upon such date as may be specified in the notice; provided that the Company shall have made payment to the County of all applicable payments payable under this Agreement as of such time. Upon any such termination, and subject to any provisions herein which shall by their express terms be deemed to survive any termination of this Fee Agreement, the sole consequence to the Company shall be that it shall no longer be entitled to the benefit of the FILOT Payments and SSRCS provided herein and the property constituting the Project shall thereafter be subject to *ad valorem* tax treatment required by law and, except as may be expressly provided herein, in no event shall the Company be required to repay to the County the amount of any tax benefit previously received hereunder.

Section 4.2 Binding Effect. This Fee Agreement is binding, in accordance with its terms, upon and inure to the benefit of the Company and any Sponsor Affiliates and the County, and their respective successors and assigns, to the extent allowed by law. In the event of the dissolution of the County or the consolidation of any part of the County with any other political subdivision or the transfer of any rights of the County to any other such political subdivision, all of the covenants, stipulations, promises and agreements of this Fee Agreement shall bind and inure to the benefit of the successors of the County from time to time and any entity, officer, board, commission, agency or instrumentality to whom or to which any power or duty of the County has been transferred.

This Fee Agreement may be circulated for signature through electronic transmission, including, without limitation, facsimile and email, and all signatures so obtained and transmitted shall be deemed for all purposes under this Fee Agreement to be original signatures and may conclusively be relied upon by any Party to this Fee Agreement

Section 4.4 Governing Law. This Fee Agreement and all documents executed in connection herewith shall be construed in accordance with and governed by the laws of the State.

Section 4.5 Headings. The headings of the articles and sections of this Fee Agreement are inserted for convenience only and shall not be deemed to constitute a part of this Fee Agreement.

Section 4.6 Amendments. The provisions of this Fee Agreement may only be modified or amended in writing by an agreement or agreements lawfully entered into between the Parties. Any amendment to this Fee Agreement which requires formal approval by the County may be approved by resolution of the County Council.

Section 4.7 Further Assurance. From time to time, and at the Company's expense, the County agrees to execute and deliver to the Company and any Sponsor Affiliate such additional instruments as either may reasonably request to effectuate the purposes of this Fee Agreement.

Section 4.8 Severability. If any provision of this Fee Agreement is declared illegal, invalid or unenforceable for any reason, the remaining provisions hereof shall be unimpaired, and such illegal, invalid or unenforceable provision shall be reformed so as to most closely effectuate the legal, valid and enforceable

intent thereof and so as to afford the Company and any Sponsor Affiliate with the maximum benefits to be derived herefrom, it being the intention of the County to offer the Company and any Sponsor Affiliate the strong inducement to locate the Project in the County.

Section 4.9 *Limited Obligation.* NEITHER THE PROJECT NOR THE NEGOTIATION, EXECUTION, DELIVERY OR IMPLEMENTATION OF THIS FEE AGREEMENT SHALL GIVE RISE TO ANY PECUNIARY LIABILITY OF THE COUNTY OR ANY INCORPORATED MUNICIPALITY NOR TO ANY CHARGE AGAINST THEIR GENERAL CREDIT OR TAXING POWER.

Section 4.10 *No Liability of County's Personnel.* All covenants, stipulations, promises, agreements and obligations of the County contained herein shall be deemed to be covenants, stipulations, promises, agreements and obligations of the County and shall be binding upon any member of the County Council or any officer, agent, servant or employee of the County only in his or her official capacity and not in his or her individual capacity, and no recourse shall be had for the payment of any moneys hereunder against any member of the governing body of the County or any officer, agent, servants or employee of the County and no recourse shall be had against any member of the County Council or any officer, agent, servant or employee of the County for the performance of any of the covenants and agreements of the County herein contained or for any claims based thereon except solely in their official capacity.

Section 4.11 *Indemnification Covenants.*

(a) Notwithstanding any other provisions in this Fee Agreement or in any other agreements with the County, the Company agrees to indemnify and save the County, its County Council members, elected officials, employees, servants and agents (collectively, the "Indemnified Parties") harmless against and from all claims by or on behalf of any person, firm or corporation arising from the conduct or management of, or from any work or thing done on the Project by the Company, its members, officers, employees, servants, contractors, and agents during the Fee Term, and, the Company further, shall indemnify and save the Indemnified Parties harmless against and from all claims arising during the Fee Term from (i) any condition of the Project, (ii) any breach or default on the part of the Company in the performance of any of its obligations under this Fee Agreement, (iii) any act of negligence of the Sponsor, as applicable, or any of its agents, contractors, servants, employees or licensees pertaining to the Project or this Fee Agreement, (iv) any act of negligence of any assignee or sublessee of the Company or of any agents, contractors, servants, employees or licensees of any assignee or sublessee of the Company pertaining to the Project or this Fee Agreement, except in such cases where the County has released the Company pursuant to an approved assignment of this Fee Agreement, or (v) any environmental violation, condition, or effect with respect to the Project. The Company shall indemnify and save the County harmless from and against all costs and expenses incurred in or in connection with any such claim arising as aforesaid or in connection with any action or proceeding brought thereon, and upon reasonable notice from the County of any actual or threatened claim, the Sponsor shall defend it in any such action, prosecution or proceeding with counsel reasonably acceptable to the County.

(b) Notwithstanding the fact that it is the intention of the Parties that the Indemnified Parties shall not incur pecuniary liability by reason of the terms of this Fee Agreement, or the undertakings required of the County hereunder, by reason of the granting of the FILOT, by reason of the execution of this Fee Agreement, by reason of the performance of any act requested of it by the Company or by reason of the County's relationship to the Project or by the operation of the Project by the Company including all claims, liabilities or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing, nevertheless, if the County or any other Indemnified Party should incur any such pecuniary liability, then in such event the Company shall indemnify and hold them harmless against all claims by or on behalf of any person, firm or corporation, arising out of the same, and all costs and expenses incurred in

connection with any such claim or in connection with any action or proceeding brought thereon, and upon reasonable notice, the Company shall defend them in any such action or proceeding with counsel reasonably acceptable to the County; provided, however, that the Indemnified Parties notify the Company as soon as it is aware of any pending claim, liability or loss, and that such indemnity shall not apply to the extent that any such claim is attributable to (i) the negligent or grossly negligent acts or omissions or willful misconduct of the Indemnified Parties, or (ii) any material breach of this Fee Agreement by the County.

(c) Notwithstanding anything in this Fee Agreement to the contrary, the above-referenced covenants insofar as they pertain to costs, damages, liabilities or claims by any Indemnified Party resulting from any of the above-described acts of or failure to act by the Company shall survive any termination of this Fee Agreement with respect to the Company.

Section 4.12 Force Majeure. In the case of any delays or non-performance caused in whole or in part, directly or indirectly, by strikes, accidents, freight embargoes, fire, floods, inability to obtain materials, conditions arising from government orders or regulations, war or national emergencies, pandemics or Acts of God beyond the Company's and any Sponsor Affiliate's reasonable control, the Company and any Sponsor Affiliate shall provide timely written notice to the County and request the County to consider an amendment to this Fee Agreement related to such delay or non-performance. The approval of such an amendment shall be in the sole discretion of the County.

Further, to the extent that any monies remain in the capital project accounts of the County, upon complete satisfaction of the stated purposes for which such funds were initially authorized, the County Supervisor may transfer all such excess and otherwise unused funds to, and utilize such funds for any other Union County activity or purpose which has been duly authorized by Union County Council and for which debt funds of the County may be lawfully used.

The Union County Council shall, in conjunction with the Union County Auditor, in accordance with the law and constitution of the State of South Carolina, calculate and fix the amount of the millage necessary to support the appropriations herein made, with the exception of those appropriations and portions thereof supported by revenues other than property taxes, and shall advise the Auditor and Treasurer of Union County who shall levy and collect said millage, respectively, as hereby directed by the County Council.

SECTION 7. COMPLIANCE WITH COUNTY CODE AND ACCOUNTABILITY

All funds for County ordinary purchases and procurements shall be obligated in accordance with the County Code through the County Supervisor's Office and will be disbursed by the Finance Department so as to provide for necessary auditing, unless specifically exempted by County Council in public session.

The County Supervisor is hereby authorized and directed to determine personnel that shall be bonded to safeguard County assets.

The County Supervisor is hereby authorized and directed to revise the county fee schedule(s) to match the revenues listed in this budget ordinance, for each fee addressed herein.

SECTION 8. AUTHORIZATIONS AND DISPOSITION OF GRANT FUNDS

All grants that are filed using the County of Union FIEN must be approved by Council. All State and Federal Grants will be administered, coordinated, and accounted for by the Union County Finance Department.

During the fiscal year 2025-26, the County may receive additional grant funds (including, without limitation, from FEMA, JEDA, the U.S. Department of Justice, USDA, and other federal, state, and local agencies, and, again without limitation, however such "grant" funds are denominated or called, including, without limitation, "grant funds", "shared funds", "forfeited funds", etc., and, again without limitation, for automobiles, rolling stock, heavy equipment, courthouse renovation and refurbishment, detention center equipment and security system, and other County needs) which shall be expended in accordance with the terms of each grant, without the necessity of amending this fiscal year 2025-26 budget. In addition, Union County receives federal, state and local grants for specified purposes.

Union County is hereby authorized, absent any other factor, to apply for, receive, and expend all such grants or other funds for which no local match is required or for which such funds are budgeted herein, in addition to all (not in lieu of) other authority elsewhere given, and in accordance with all other policies and directives of Union County and state and federal law. These "grants", including any local match, are deemed budgeted for the specified purposes upon acceptance of such grants. These "grants" are budgeted for on a project basis in accordance with the grantors' terms and conditions instead of an annual basis and as such, unexpended appropriations for uncompleted grant projects are carried forward as a part of the budget authorized by this ordinance.

SECTION 9. DEPOSITS

All service charges, reimbursements, fees, fines, other funds received by county departments shall be deposited with the County Treasurer as soon as possible after collection; but in no case shall the time lapse between collection and deposit with the Treasurer exceed thirty (30) days. The Treasurer is authorized and directed to deposit all funds received into the appropriate interest-bearing accounts, and any surplus funds and all accumulative interest shall be deposited into the General Fund of Union County.

SECTION 10. SURPLUS FUNDS

Any surplus in the General Fund of the County or any moneys accruing therefrom shall be used as a contingency fund and shall be spent as authorized and directed by the Union County Council during the fiscal year addressed by this Ordinance, only. At the end of such fiscal year those funds shall be accounted for as addressed in the next succeeding Section. Any surplus in other funds of the County or any moneys accruing therefrom shall be retained and accounted for in such other fund or funds and shall be carried forward from year to year as fund balances in such funds.

SECTION 11 END OF FISCAL YEAR ACCOUNTING

All appropriations made by prior year budget ordinances for which the respective monies have been obligated or encumbered are hereby carried forward and reappropriated, as of July 1, 2025, as a part of the budgets authorized by this Ordinance, as are the obligated or encumbered monies previously identified and collected to fund such appropriations. No new revenues are identified or authorized by this Ordinance for such carryover appropriations, except as specifically identified as new appropriations in this Ordinance. All such carryover appropriations and revenues shall be specifically identified and accounted for as such on the budget books of the County maintained for the budgets authorized by this Ordinance. All appropriations made by prior year budget ordinances for which monies have not been obligated or encumbered as of the end of June 30, 2025, shall lapse and expire at that time, and the monies involved shall revert to the fund balance of the fund from which the respective appropriation originated. All appropriations made by this Ordinance for which monies have not been obligated or encumbered by the end of June 30, 2026, shall lapse and expire at that time. All appropriations made by this Ordinance for which the funding monies have been obligated or encumbered by June 30, 2026 shall carry forward and be reappropriated by the next succeeding Union County Budget Ordinance, as shall the obligated or encumbered monies identified and collected therefor. Unobligated General Fund budgetary appropriations and monies received by County departments and existing without obligation at the close of the fiscal year addressed by this Ordinance shall revert to the General Fund or if in excess of \$500,000 transferred to the Capital Fund (Fund #502) of Union County to be accounted for as fund balance; no existing appropriation or actual revenues on hand at the end of the fiscal year may be expended by any department during the succeeding fiscal year without new appropriation by County Council. Any surplus in other funds of the County or any moneys accruing therefrom shall be retained and accounted for in such other fund or funds and shall be carried forward from year to year as fund balances in such funds.

County officials charged with the proper keeping and reporting of county accounts shall maintain both revenue and expenditure ledgers and under no circumstance, except in instances such as bona fide reimbursement, correction of accounting or overpayment errors, or authorized transfer of supplemental appropriations, shall credits, except those enumerated in this Ordinance, be recorded on appropriation and/or expenditure ledgers.

SECTION 12. FUND BALANCE POLICY

The County Council hereby declares any revenues remaining pursuant to Section 11, or otherwise legally available shall, up to \$500,000, be maintained as an unencumbered General Fund balance and amounts in excess of \$500,000 will be transferred to the Capital Fund (#502), provided the General Fund balance is at least 50% of general fund budgeted expenses. The amount of the unencumbered general fund balance shall be equal to at least sixty days of County general fund expenses for the budget year in question at all times.

SECTION 13. ADMINISTRATION, REPORTING, AND TRANSFERRING OF FUNDS

The County Supervisor, (or his written designee, to the extent authority to delegate by the Supervisor or the County Council is given by or not prohibited in the Union County Code of Ordinances), as required by state law, shall oversee and supervise the day-to-day implementation of this budget ordinance, including, without limitation, the execution and delivery, on behalf of the County, of all contractual documents necessary or required for the expenditure of funds authorized by this budget ordinance, for the purposes for which such funds are so authorized. The County's Finance Department shall provide to the County Supervisor and the Supervisor shall provide to the County Council a monthly recap of total revenues and expenditures for funds that are currently included in the county's general ledger system with a year-end recap of all funds. The County Supervisor may, if he deems it in the best interest of the County and within the overall appropriations provided

by this ordinance, and consistent with all other applicable legal requirements, transfer funds or any portion thereof from and among any fund, department, activity, or purpose, and within any fund(s). The Supervisor shall report to the County Council monthly on all such transfers of \$5,000 and above, once received. County Council may transfer funds within any fund, department, activity, or purpose or among funds by normal Council action, subject to all other applicable legal requirements. All transfers authorized by this Section are subject to the overall appropriation limits of this Ordinance. Any appropriation, transfer, or reappropriation of any amount of funds in excess of the total appropriations made by this Ordinance shall be effected only by a supplemental appropriation of County Council, authorized by Union County Ordinance duly enacted by County Council. The County Supervisor, upon the advice of the County Attorney, is hereby authorized to settle all valid and legitimate legal actions and claims, existing and future, against the County not involving the Supervisor or any of his/her interests, family, or associated parties, and with which the Supervisor has no legal or ethical conflict, within the appropriation limits of this Ordinance, including up to a \$50,000 transfer to the General Fund from the unencumbered fund balance of the County for such purposes. The County Supervisor will report to County Council upon the successful completion of any such settlement.

SECTION 14. SPECIAL REVENUE FUNDS

SECTION 17. RETIREMENT OF AUTOMOTIVE AND HEAVY EQUIPMENT

Unless otherwise directed by the County Supervisor, automotive and heavy equipment will be retired from service by any department receiving replacement equipment on a one for one basis as the replacement equipment is received. Retired equipment may be appropriately evaluated for reassignment or disposition by the County Supervisor or his designee.

SECTION 18. TAX ANTICIPATION NOTES

As permitted by Article X, Section 14, of the Constitution of the State of South Carolina, 1895, as amended and Section 11-27-40, Code of Laws of South Carolina, 1976, as amended, County Council is hereby empowered to authorize the issuance of tax anticipation notes in the aggregate principal amount of not exceeding \$500,000 (the "TANS") in anticipation of the collection of taxes imposed and levied by this Ordinance. The TANS may be issued at any time or from time to time during the fiscal year beginning July 1, 2022 and ending June 30, 2023; shall be issued pursuant to a Resolution adopted by County Council; may be issued in bearer form or fully registered upon terms and conditions prescribed in such Resolution; shall be issued in the principal amounts, mature and bear interest as prescribed in such Resolution; and may be sold by negotiated or public sale upon such terms and conditions as County Council prescribes in the Resolution.

SECTION 19. LEASE PURCHASE TRANSACTIONS

Pursuant to Section 4-9-10, Code of Laws of South Carolina, 1976, as amended (the "Code"), the County operates under the Council-Supervisor form of government and the County Council constitutes the governing body of the County. Section 4-9-30 of the Code empowers all counties to lease property and to make and execute contracts. There is a need for the County to finance the acquisition, by means of one or more lease purchase transactions (the "Lease Purchases"), of certain real property and permanent improvements (including, without limitation, structures, buildings, and fixtures) (collectively, the "Property and Improvements") and certain equipment (including, without limitation, vehicles, heavy equipment, replacement HVAC units) (collectively, the "Equipment") for the use of the County. In order to accomplish such acquisition, County Council hereby authorizes the County Supervisor to enter into one or more Lease Purchase Agreements (the "Agreements") with banks or other financial institutions or appropriate lending agencies, as shall be determined by the County Supervisor, in an aggregate principal amount not exceeding \$1,500,000. The Agreements may be entered into at any time or from time to time during the fiscal year beginning July 1, 2024 and ending June 30, 2025, and shall be subject to annual appropriation by County Council, as set forth in this Ordinance or other ordinances. Agreements for the Equipment will not constitute a "financing agreement" and the Equipment will not constitute an "asset" as such terms are defined in Section 11-27-110 of the Code, such that the amount of the Agreements will not be included in calculating the County's constitutional debt limit; and, the Agreements will be subject to such other terms and conditions as the County Supervisor agrees upon. County Council hereby determines that it is in the best interest of the County to acquire the real property, improvements, and equipment by entering into the Agreements. The Agreements will enable the County to purchase the real property, improvements, and equipment which will provide various services necessary for the proper functioning of the County.

Without further authorization, the Council hereby authorizes the County Supervisor to:

- (a) determine the respective principal amount of each Agreement, provided the aggregate principal amount of all Agreements shall not exceed \$1,500,000;
- (b) determine the items of Equipment or Property and Improvements, or both, to be acquired pursuant to the respective Agreements;
- (c) determine the payment schedules under each of the Agreements;
- (d) determine the rates of interest under the respective Agreements;
- (e) determine the terms relating to penalties, if any, for prepayment of each respective Agreement;

(f) determine whether one or more of the Agreements shall be designated as a “qualified tax-exempt obligation” within the meaning of Section 265(b) of the Internal Revenue Code of 1986, as amended (the “Code”);

(g) prepare or cause to be prepared a Request for Proposals containing such terms and provisions as deemed necessary or advisable for each Agreement;

(h) determine the date and time for receipt of proposals under the respective Request for Proposals for each Agreement;

(i) award the sale of each lease-purchase financing to the bidder or bidders submitting the proposal determined to be the most advantageous to the County in accordance with the terms of the applicable Request for Proposals; and

(j) make changes to the quantity, cost or description of the Equipment or Property and Improvements set forth in the Request for Proposals.

To the extent that any Agreements are to be entered into on a federal tax-exempt basis, the County, as Lessee, agrees and covenants that it will comply with all applicable provisions of Section 103 and Sections 141-150 of the Internal Revenue Code of 1986, as amended (the “Code”), and any regulations promulgated thereunder, to maintain the exclusion from gross income for federal income tax purposes of the interest portion of the lease payments under the Agreements and will timely file Form 8038-G in accordance with the applicable regulations of the Internal Revenue Service for such Agreements.

In order to effect the provisions of this Section, during the fiscal year addressed by this ordinance, and in all future fiscal years, and in specific implementation of Section 6-1-320(B)(7) of the Code (the “Lease-Purchase Legislation”) in such years, and notwithstanding any other term or provision hereof, the County Supervisor is authorized and directed to create a lease-purchase fund of the County (the “Lease-Purchase Fund”), into which will be deposited all moneys and funds collected pursuant to this Section and to the Lease-Purchase legislation. The moneys and funds in the Lease-Purchase Fund shall always remain in that Fund until obligated and appropriated, and will not be transferred over into any other fund automatically, at the end of any given fiscal year or otherwise – and will only be transferred out of such Fund when so directed by Council by appropriation or other use, and always in accordance with the Code.

SECTION 20. FUNDING OF E-911 SERVICES

In order to provide all citizens of Union County with the best emergency dispatch services available and to fund those services in the most effective, efficient manner possible, the County Supervisor is hereby directed to collect, utilize, and apply all E-911 tariff funds available by current South Carolina law to the County's E-911 system.

SECTION 21. TRAVEL AND TRAINING REIMBURSEMENT

Elected officials, appointed officials (collectively “Officials”) and Employees will be reimbursed at the Federal Per Diem rates for mileage and for actual travel expense incurred while on official Union County business. Federal Per Diem Rates as provided by GSA for the location of the Union County business to be conducted will apply as the “cap” for all travel related expenses on a reimbursement basis for expenses incurred by the Officials or Employees as a result of completing the Union County business. To the extent that funds appropriated for such purposes are insufficient for all or part of the costs involved, prior written approval of the County Supervisor must be obtained prior to obligation of any of the funds – without such prior written approval reimbursement will be made only to the extent of funds previously appropriated for such purposes. The County

has available a credit card that can be utilized for accommodation reservations for travel and training. Mileage for use of a personal vehicle will be reimbursed at the IRS rate, with the limitation of the IRS variable rate for employees that have access to a county vehicle. Meals, mileage and other travel costs should be paid by employee and filed for reimbursement within 14 days of the trip conclusion using the County "Travel & Training Reimbursement" form.

SECTION 22. REASONABLE ACCOMMODATION POLICY

Union County is a participant in the Federal Community Development Block Grant Program for the purpose of undertaking various important community and economic development activities throughout the County. The Community Development Block Grant Program requires a reasonable accommodations policy for Section 504 regulations. Union County, acting by and through the Union County Council, desires to comply with all necessary Grant requirements. Union County, acting by and through the Union County Council, is hereby willing to make reasonable accommodations for the known physical or mental impairments of an otherwise qualified participant, applicant or employee, providing it does not cause undue financial or administrative burden on the County or cause a fundamental alteration of the County's program. Union County Council hereby recognizes that the policy created hereunder includes employees, applicants for employment, and the public when the public is involved in County activities. The Union County Supervisor, for and on behalf of the County, is hereby authorized and directed to do any and all things necessary or appropriate in connection with this Policy.

SECTION 23. PERSONNEL ITEMS

The regular operating hours for County offices will change to 8:30 a.m. to 5:00 p.m. effective July 1, 2024.

All employees shall be paid according the salary schedule adopted by County Council.

Neither the Supervisor nor any Department Head, may establish or fund a new permanent, full-time position without the knowledge and consent of the County Council.

As reflected in the County personnel policies and current practice, all County employees are entitled to take thirteen (13) paid holidays per year as prescribed in the County personnel policies currently recognized by the County, all hereby authorized and approved, subject to the specific absence approval policies of the County.

The County in accordance with the personnel policies and current practice accrues and tracks "sick" hours for each employee which are available for use to compensate employees for time lost from work due to medical issues. This is intended to keep the employee whole for the regular scheduled work hours, and therefore should not be used with others hours to exceed the number of regularly scheduled hours in a 7-day working period for regular employees, 14-day for law enforcement personnel.

The County will pay employees for time worked over regular hours in lieu of compensatory time. Department Heads and Elected Officials must approve all hours worked over an employee's regular schedule. Any hours worked over the employee's regular schedule will be paid according to the Federal Labor Standards Act. Employees may choose to accrue comp time, up to the equivalent of two working weeks and must use said leave within 1 year, unless otherwise approved by the County.

The County has set forth the Annual (Vacation) and Sick Leave accruals as follows:

All Regular Full-Time employees will accrue annual leave after completion of a 90-day probationary period. After completion of the probationary period annual leave will begin to accrue based on the 2022 Annual Leave Accrual Schedule (Exhibit A), and the leave is useable at the time of accrual. Annual leave will accrue throughout the year. Any balance above 45 days will be forfeited on the last day of the calendar year. The Employees who separate from employment will be paid out on any unused annual leave balance up to 45 days.

All Regular Full-Time employees will accrue sick leave after the completion of a 90-day probationary period. After completion of the probationary period sick leave will begin to accrue based on the 2022 Sick Leave Accrual Schedule (Exhibit A), and the leave is useable at the time of accrual. Sick leave will accrue to a maximum of 90 days. Employees who separate employment will not be paid for unused sick leave. Employees retiring under the SC Retirement System will receive service credit for unused sick leave, as allowed by the South Carolina Public Employee Benefit Authority.

All other guidelines set forth in the County Personnel Manual concerning leave accruals will remain unchanged.

On-Call Policy

Any County Department requiring personnel to work in an "on-call" assignment shall establish a rotation schedule including all employees in the department qualified to handle "on-call" work. The employee assigned is required to be available during their assigned time, however they may exchange assignment slots with others if they can assure that the coverage is provided and the Department Head has been notified in advance and agreed to the schedule change. The employee that is on rotation for the scheduled period may be compensated at a specified "on-call" rate as allowable by the department's budget. Any hours called out to work for an "on-call" assignment will be included on their bi-weekly time sheet and be paid in accordance with the Federal Labor Standards Act.

SECTION 24. COLLECTION OF DELINQUENT TAXES

Union County will collect delinquent property taxes of the County and other taxing entities of Union County whose property taxes Union County is charged with collecting and is authorized to collect, by and through the Delinquent Tax Collector of Union County (the "DTC"), who will be hired by and answer to the County Supervisor, and be subject to all personnel policies and rules of Union County, and will serve under and in conjunction with the Union County Treasurer. In carrying out the duties of the office, the DTC will follow and comply with all parts and provisions of South Carolina law, as interpreted by and through the courts of the State, the revenue rulings and opinions of the Comptroller General of the State and the State Department of Revenue, and the opinions of the Attorney General of the State, including, without limitation:

The delinquent tax collection provisions of Title 12 of the South Carolina Code of Laws, 1976, as amended

Act 1034 of the 1962 Acts and Joint Resolutions of the State General Assembly, as applicable

Act 277 of the 1977 Acts and Joint Resolutions of the State General Assembly, as applicable

The opinion of the State Attorney General, directed to Oconee County, dated July 3, 2014

The opinion of the State Attorney General, directed to Beaufort County, dated November 9, 2012, all as to the collection of delinquent taxes, the application of penalties and interest, and the distribution and use of the taxes, penalties and interest collected by the DTC in Union County. Nothing contained herein is intended to, nor will be interpreted as conflicting with State law, in any regard – however where special legislation is applicable to Union County and is still effective, that special legislation will prevail and be applied over general law of the State, to the extent allowed by State law.

SECTION 25. ESTABLISHMENT AND IMPOSITION OF FEE SCHEDULE

With regard to the Municipal Detainees and Prisoners Fee, it is hereby directed that the County Supervisor determine and adjust such fee, as necessary, to help offset, proportionately the mandatory cost to the County of upgrading the detention center to meet state and federal standards.

SECTION 26. SEVERABILITY

If any clause, phrase, sentence, paragraph, appropriation, or section of this Ordinance shall be held invalid for any reason, it shall not affect the validity of this Ordinance as a whole or the remaining clauses, phrases, sentences, paragraphs, appropriations, or sections hereof, which are hereby declared separable.

SECTION 27. EFFECTIVE DATE

STATE OF SOUTH CAROLINA
COUNTY OF UNION
ORDINANCE NO. _____

AN ORDINANCE AMENDING CHAPTER 2, ARTICLE XI OF THE
UNION COUNTY CODE OF ORDINANCES, IN CERTAIN LIMITED
REGARDS AND PARTICULARS ONLY, REGARDING BOARDS
AND COMMISSIONS; AND OTHER MATTERS RELATED
THERE TO.

WHEREAS, Union County, South Carolina (the "County"), a body politic and corporate and a political subdivision of the State of South Carolina (the "State"), acting by and through its governing body, the Union County Council ("County Council"), has adopted multiple ordinances for the effective, efficient governance of the County, which, subsequent to adoption, are codified in the Union County Code of Ordinances (the "Code of Ordinances"), as amended, from time to time; and

WHEREAS, the County, acting by and through the County Council, is authorized by Section 4-9-30(6) of the South Carolina Code of Laws, 1976, as amended, among other sources, to establish such agencies, departments, boards, commissions and positions in the county as may be necessary and proper to provide services of local concern for public purposes, to prescribe the functions thereof and to regulate, modify, merge or abolish any such agencies, departments, boards, commissions and positions; and,

WHEREAS, County Council desires to amend the Code of Ordinances to modify, amend, and improve the administration of the various boards and commissions of the County process of appointing members to such boards and commissions; and,

WHEREAS, County Council desires to amend the Code of Ordinances to abolish certain boards and commissions of the County in order to reduce the number of boards and commissions, streamline the governance of the County, to remove certain boards and commissions that are no longer useful or relevant, and to provide for the most efficient systems of governance; and,

WHEREAS, County Council recognizes that there is a need to amend Article XI of Chapter 2 of the Code of Ordinances to achieve the results set forth above; and

WHEREAS, County Council has therefore determined to modify the Code of Ordinances in the following regards and particulars only, and to affirm and preserve all other provisions of the Code of Ordinances not specifically or by implication amended hereby.

NOW, THEREFORE, it is hereby ordained by the Union County Council, in meeting duly assembled, that:

1. That Section 2-200 of Article XI, Chapter 2 of the Code of Ordinances, entitled *Administration of boards, commissions, and committees*, is hereby amended and replaced to read as follows:

These regulations and procedures shall apply to all Union County boards, commissions, committees, or similar entities created by Union County Council under the auspices and authority of section 4-9-30 of the South Carolina Code of Laws, 1976, as amended, or any other body or entity is established by and subject to the rules and regulations of, or controlled by Union County Council, which is not otherwise regulated or controlled by state law, all of which, collectively, are hereby referred to as "board" or "boards". The following regulations are in addition to, not in lieu of, all others contained in the Union County Code of Ordinances or in any Union County

ordinance. In the event of any inconsistency, this section shall prevail over these general regulations, except as explicitly stated otherwise herein.

All terms of office shall run from January 1 through December 31 of the respective years of appointment and termination. All board terms shall be co-terminus with the term of the appointing or nominating council member. A staggered appointment schedule for all county council-appointed boards will be maintained in the county council office by the clerk to council.

No one shall be appointed to serve on more than one (1) board, commission, or other body appointed by council at any one (1) time. Appointment terms will be for four (4) years unless otherwise stated herein. No board member shall serve more than two (2) consecutive terms and will not be eligible for reappointment for a third consecutive term as long as there is another qualified applicant. The provisions on terms and term limits shall not operate to prematurely terminate the term of any board member serving at the time of adoption of these regulations, but shall apply to any terms or prospective terms thereafter.

Interested candidates for any board will be requested to complete the "Questionnaire for Board/Commission" and submit it to the clerk to council for distribution to council. Council is not required to select a board member from the submitted questionnaires; members of council may directly solicit a candidate for any appointment by the council. Candidates must be residents of Union County and must maintain their residence in Union County for the duration of their term of office unless they are being considered for an ex-officio or non-voting advisory position.

Notwithstanding any other provision of the Code, all boards will be appointed by the methodology of one (1) board member nominated per council district by the council member for each district and at-large representatives as required to meet the board membership total, as stated herein. All appointments to each board will be made upon recommendation by a council member before the full council with a majority vote. In the event a board vacancy exists for a period of three (3) months due to the failure of a council member nomination for the council member's district, any other council member may recommend and nominate a board member to the full council to fill said vacancy.

All requests for removal of a board member from a board will be made upon recommendation by a council member before the full council with a majority vote.

All board members must attend a minimum of seventy-five (75) percent of all meetings from January through December of each calendar year. A board member who is absent from three (3) consecutive meetings without adequate excuse, such as documented illness, or any board member who fails to attend a minimum of seventy-five (75) percent of all meetings from January through December of each calendar year shall be reported by the chairperson of that board to county council and shall be deemed to have forfeited their position on said board. County council shall by majority vote at its next available opportunity to either accept the forfeiture of the position and replace the board member, or otherwise excuse the absences and approve the board member's continued service on the board. Any board member may be removed or replaced at will by majority vote of council upon the motion of a member of county council at any time, unless appointment is required by or regulated by state or federal law.

All boards addressed by this section shall use the Model Rules of Parliamentary Procedure for South Carolina Counties, published by the South Carolina Association of Counties, as the basis for their parliamentary procedures.

Each board shall annually elect a chairperson, a vice chairperson, and a secretary. Each newly elected chairperson shall, as soon as practically possible, attend an appropriate training session regarding the procedures for proper governance of such board. Additionally, the entire board shall participate in an informative meeting detailing the function and duties of such board. All such training sessions are the responsibility of the county department or agency with which the board is most closely associated.

Each board shall enact by-laws, not in conflict with this section or state law, which govern the conduct of meetings, attendance, committees and the regular business of the board.

All county boards shall comply with the provisions of the South Carolina Freedom of Information Act and the requirements set forth in the Code of Ordinances and subsequent ordinances concerning freedom of information and the conduct of public meetings.

Members of county boards, generally, are defined as "public officials" under the South Carolina Ethics Act, section 8-13-100 et seq. of the South Carolina Code of Laws, 1976, as amended. It shall be the responsibility of board members, individually and collectively, to become familiar with the provisions of that law and conduct themselves accordingly. As stated in the South Carolina Ethics Act, and without limiting the applicability of any other provision of the South Carolina Ethics Act, board members shall not use membership on the county board to obtain a direct personal economic interest, an economic interest for the immediate family member of the board member, an economic interest for an individual with whom the board member is associated, or an economic interest for a business with which the board member is associated. These requirements are applicable to all county boards, and their board members, both through the South Carolina Ethics Act and, separately, through this section.

County council shall meet with board members and delineate duties and responsibilities of each board, as necessary and appropriate. The role of the various boards may be changed by the county council from time to time, within the parameters of state law, so as to best meet the needs of the county.

Each board will have a staff liaison to be designated by either county council or the county supervisor. It is the responsibility of staff liaison to notify the clerk to council regarding resignations and/or vacancies on any board or commission. It is also the responsibility of the staff liaison to monitor the appointment schedule and inquire and report to the clerk to council if current board members wish to be considered for reappointment or replacement.

County council shall refrain from appointing immediate family members to a board if such appointment will result in such board member supervising an immediate family member, or where the board member occupies a position of influence over the employment, promotion, salary administration, or other management or personnel considerations regarding an immediate family member. If the applicable persons become related during a board member's term, the board member may serve the

remainder of the term, but shall recuse himself or herself from any decision, vote or discussion involving the board member's immediate family member. The term "immediate family" includes wife, husband, mother, father, sister, brother, son, daughter, mother-in-law, father-in-law, son-in-law, daughter-in-law, grandmother, grandfather, grandson, granddaughter, stepmother, stepfather, stepson, stepdaughter, domestic partner, significant other, or co-habitant. Situations not specifically addressed in this policy which create a conflict of interest or give the appearance of a conflict of interest, shall be governed by the South Carolina Ethics Act and, separately, through this section, and, without creating any responsibility as to the county, may be addressed by the county in the sole discretion of the county.

All board members will serve without compensation.

Removal of board members will be by majority vote of county council.

2. That Section 2-202 of Article XI, Chapter 2 of the Code of Ordinances, entitled *Appointments to be made by council as terms expire*, is hereby amended and replaced to read as follows:

The Union County Carnegie Library, the Union County Airport Commission, and any other local boards, committees and commissions whose appointment is not provided for by the general law or the Constitution shall be appointed by the county council as their various terms of office expire.

3. That the County board known as the Council on Aging is hereby abolished and that Division 2, Sections 2-211 through 2-212 of Chapter 2 of the Code of Ordinances, entitled *Council on Aging*, is hereby repealed, removed, and abrogated in its entirety.

Further, the Union County Supervisor is hereby authorized and directed to take all steps required or necessary to transfer the responsibilities and duties set forth in Division 3 to the State of South Carolina.

5. That the County board known as the Stadium Commission is hereby abolished and that Division 5, Sections 2-241 through 2-243 of Chapter 2 of the Code of Ordinances, entitled *Stadium Commission*, is hereby repealed, removed, and abrogated in its entirety.

6. That the County board known as the Fair Association is hereby abolished and that Division 6, Sections 2-251 through 2-257 of Chapter 2 of the Code of Ordinances, entitled *Fair Association*, is hereby repealed, removed, and abrogated in its entirety. The County will retain ownership of the real property deeded to the County by Mary Emma Foster by Deed in Deed Book 67 at page 648, and plat recorded in Plat Book 4 at page 33, Office of the Clerk of Court of Union County, located on the Old Buffalo Road, together with all buildings and improvements thereon (the "Fair Real Property") as referenced in the repealed Section 2-256. The use, control, and management of the Fair Real Property shall hereafter be governed by a non-profit organization to be determined by the County per the terms of a lease to be approved by County Council.

7. That the County board known as the Mental Retardation Board is hereby abolished and that Division 7, Sections 2-261 through 2-267 of Chapter 2 of the Code of Ordinances, entitled *Mental Retardation Board*, is hereby repealed, removed, and abrogated in its entirety.

8. That Section 2-274 of Article XI, Chapter 2 of the Code of Ordinances, entitled *General powers and duties*, is hereby amended to repeal, remove, and abrogate subsection (8) in its entirety.

10. That the purposes of the Capital Projects Commission have been achieved, that the Capital Projects Commission is no longer in existence by the terms of its creation under Resolution 2-9-00 and South Carolina state law, and that Division 10, Sections 2-301 through 2-303 of Chapter 2 of the Code of Ordinances, entitled *Capital Projects Commission*, is hereby repealed, removed, and abrogated in its entirety.

11. That the County board known as the Tourism Commission is hereby abolished and that Division 11, Sections 2-321 through 2-326 of Chapter 2 of the Code of Ordinances, entitled *Tourism Commission*, is hereby repealed, removed, and abrogated in its entirety, so County Council may, in its discretion, establish an Accommodations Tax Advisory Committee.

12. Should any part or provision of this Ordinance be deemed unconstitutional or unenforceable by any court of competent jurisdiction, such determination shall not affect the rest and remainder of this Ordinance, all of which is hereby deemed separable.

13. All ordinances, orders, resolutions, and actions of County Council inconsistent herewith are, to the extent of such inconsistency only, hereby repealed, revoked, and rescinded. However, nothing contained herein shall cancel, void, or revoke, or shall be interpreted as cancelling, voiding, or revoking in any regard any prior acts, actions, or decisions of the County or County Council, valid and lawfully undertaken at the time, or to reinstate any prior act or enactment of Union County which was revoked or rescinded by such prior acts, actions, or decisions, in any regard.

14. All other terms, provisions, and parts of the Code of Ordinances not amended hereby, directly or by implication, shall remain in full force and effect.
