SCDOT requests comments on bridge replacement project in Union County

Columbia, S.C. (June 11, 2025) - The South Carolina Department of Transportation requests comments on a proposed bridge repair, rehabilitation, and preservation project on SC 49 and SC 215 Connector (Monarch Highway) over Norfolk Southern Railroad in Union County.

The purpose of this project is to perform comprehensive and cost-effective bridge repairs that will help eliminate current load restrictions and extend the service life of the bridge. Members of the public may visit the project website to learn more and share comments: **https://projectportal.scdot.org/D4P6**

SCDOT will accept comments from June 11 to July 11, 2025. The public may provide comments through the project website, by mail to Warren Hart, SCDOT Project Manager, 955 Park St., Columbia, SC 29201, by calling 803-737-2049, or by email to **HartWD@scdot.org**.

All comments received during a project comment period will be reviewed and included in the project record. Individuals who provide comments will receive responses upon request. Please note, any information provided, including names and addresses, is subject to disclosure under the Freedom of Information Act.

For more information about this and other proposed SCDOT projects, please visit our **public involvement comment webpage**.

About SCDOT
The South Carolina Department of Transportation (SCDOT) is the state agency with oversight of South Carolina's network of highways and bridges, including responsibilities such as planning, design, construction, financing, and roadway safety. To ensure the nation's fourth-largest highway system is prepared to serve the needs of South Carolina's growing economy and
