RE: Name Change Consideration

To: County Supervisor, Councilman Sinclair, County Council,

On behalf of the Lukesville Community and The Lukesville Community Care Club:

We respectfully request the name of "Lukesville Park" be changed to" Dawkins Park" in honor of Freddy "Babe" Dawkins.

"Babe" as he was affectionally known, was an Icon in the community and loved baseball and the late great Babe Ruth.

As a child growing up in this community, I can remember hearing his voice echo all over the community in early spring, 'time to play ball", "time to play ball". "let's go, let's go boys.

Babe made sure that he lobbied Buffalo Mill Company every year for bats, balls and other various equipment, and they would reciprocate.

We feel this is a well-deserved honor and it creates a greater sense of community.

WHEREAS, Article VIII, Section 13(d) of the Constitution of the State of South Carolina provides that counties may jointly develop an industrial and business park with other counties within the geographical boundaries of one or more of the member counties, provided that certain conditions specified therein are met and further provided that the General Assembly of the State of South Carolina provides by law a means by which the value of property in such park will be considered for purposes of bonded indebtedness of political subdivisions and school districts and for purposes of computing the index of taxpaying ability for school districts; and

WHEREAS, Article VIII, Section 13(d) of the Constitution also provides that the area comprising the park and all property having a situs therein is exempt from all *ad valorem* taxation; and

WHEREAS, Section 4-1-170, Code of Laws of South Carolina, 1976, as amended (the "Code") satisfies the conditions imposed by Article VIII, Section 13(d) of the Constitution and provides the statutory vehicle whereby a joint county industrial and business park may be created; and

WHEREAS, Section 4-1-170 of the Code provides that the written agreement among the member counties providing for the park must include provisions which, among other things, "specify the manner in which revenue must be distributed to each of the taxing entities within each of the participating counties;"

WHEREAS, in the case of Horry County School District v. Horry County, 552 S.E.2d 737 (S.C. 2001), the South Carolina Supreme Court held that revenues received and retained by a county from a joint county industrial and business park need not be distributed in the same proportion that those revenues would be if the property were subject to normal *ad valorem* taxation; and

WHEREAS, pursuant to various ordinances (the "Park Ordinances"), Union County, South Carolina (the "County") has approved, and may approve in the future, the development of various joint county industrial and business parks (the "Parks") with certain partner counties (the "Partner Counties") located within the State of South Carolina; and

WHEREAS, pursuant to the Park Ordinances, the County and the Partner Counties have entered into, and may enter into in the future, respective agreements for the development of Parks with respect to various properties located within the County (the "Park Agreements"), which Park Agreements indicate that distribution of the Park Agreement revenues to the taxing entities of the County will be prescribed by one or more ordinance(s) of the County; and

WHEREAS, Section 12-2 of the Union County Code of Ordinances (the "County Code") provides for

a methodology of distribution of the revenues received and retained by the County pursuant to the various Park Agreements ("Revenues"), and Ordinance No. 297 of the County enacted October 13, 2015 ("Ordinance 297") modified and amended such provisions of Section 12-2 of the County Code in certain respects; and

WHEREAS, the Section 12-2 of the County Code, as amended by Ordinance 297, provides in part that, after payment to the applicable partner county or counties as required under each Park Agreement, and after payment of all SSRBs (as defined therein) and allocation of all credits described in Section 12-2(2) therein, the remaining Revenues received and retained by the County (the "Net Revenues") pursuant to the Park Agreements are to be distributed as follows:

"(i) ten (10) percent of such [Net Revenues] which are attributable to real or personal property located on one (1) or more sites which are either added to an existing [Park] on or after August 9, 2006, or designated as a new [Park] on or after August 9, 2006, shall be deposited in a special fund of the county to be used for economic development infrastructure and community development purposes, as authorized by the statutes cited in subsection (2) above; and (ii) with respect to [Net Revenues] generated from any property added to an existing [Park] or designated as a new park prior to October 1, 2015, the remainder of such [Net Revenues] shall be distributed within the [County] to the political subdivisions and overlapping tax districts which levy taxes in the properties subject to the respective [Park Agreements] and to no others in the same proportion and ratio, and for the same respective purposes, as their respective millage bears to the overall millage total for the applicable tax period; and (iii) with respect to [Net Revenues] generated from any property added to an existing [Park] or designated as a new [Park] after October 1, 2015, the county council shall have the discretion to determine the manner and amount of distribution on a case-by-case basis by adoption of an appropriate ordinance, and, in the absence of such determination, the manner and amount of distribution shall default to the method described in subsection 12-2(3)(ii)."

WHEREAS, the County, by and through its County Council, after due deliberation, has concluded and concludes that the best interests and economic welfare of its citizens, including, notably, the development of County infrastructure aiding the economic development of the County will be served by directing that the Net Revenues received and retained by the County pursuant to all of the Park Agreements shall be distributed in the manner provided in this Ordinance, and that Ordinance 297 and the County Code, and [all] other ordinances of the County previously enacted with respect to distribution of Revenues, be modified and amended to the extent necessary to give effect to the provisions of this Ordinance;

NOW THEREFORE, BE IT ORDAINED BY THE UNION COUNTY COUNCIL, DULY ASSEMBLED:

1. The Net Revenues (being the same and identical to the "net revenues" defined in Section 12-2(3) of the County Code) received and retained by the County pursuant to the Park Agreements established by [Ordinance No. 384 enacted September 13, 2022, by Ordinance No. 394 enacted April 9, 2024 and by Ordinance 401 enacted February 11, 2025 (collectively, the "Amended Ordinances")] shall be distributed as follows, and, absent some other distribution methodology being approved by subsequent ordinance of County Council, the Net Revenues received and retained by the County pursuant to all Park Agreements hereafter established, and received and retained by the County pursuant to a Park Agreement effective prior to the date hereof but with respect to property added to the applicable Park after the date of this Ordinance (other than replacement property added pursuant to a negotiated fee in lieu of tax agreement entered into by the County and one or more sponsors under Title 4 or 12 of the Code prior to the date of this Ordinance), shall be distributed as follows:

Monthly Update Report from Finance for September Council Meeting:

- Financials were included in Council packets for the 2nd month period ending August 31, 2025 (16.7% of the year).
- Revenues for YTD are comparable with the amounts received in the prior year
- Expenditures are 17.09%, which is on target from time-line standpoint. Routine expenditures over-all are less the percentage, as significant annual insurance and maintenance contract payments are paid in July when the terms begin. This is offset to some degree due the month lag in routine utility-type billings paid during the 13th month of the fiscal year.
- Quarterly Grant update reports are up-to date as of August.
- The FY 2025 audit work has begun.
