**PUBLIC NOTICE**

The Catawba Regional Council of Governments has facilitated a comprehensive data study for the Catawba Region (Chester, Lancaster, Union, and York Counties) regarding the availability of workforce housing; and will be holding a county-wide workshop to present the Catawba Regional Workforce Housing Study results. The study consultant, Community Scale, will present each county's findings in these workshops.

The Union County presentation details are as follows:

**Union County – Thursday, August 27, 2026; 5:30 – 7:30 p.m. –LOCATION: Meeting Room at 103 W. Main Street, Union, SC 29379**

The presentation will allow for the discussion of data, findings, and recommendations to be as applicable and relevant to each jurisdiction as possible. You are invited and encouraged to attend this workshop which corresponds to your county.

While the workshops are all public meetings, invitees to these four county workshops will be each County Council, Town/City Councils from municipalities located within each county, COG Board members, Catawba Regional Development Corporation Board members, Local Workforce Development Board members, and Study Stakeholders from each county

Union County Council will be in attendance for this presentation, but will not hold a formal meeting.
